**All artist submissions must also fill in the Artist release agreement in order to authorize Careadon Corp to promote the artwork submissions and the project itself. This is a NOT FOR PROFIT project, we don't plan to make money off it but rather we plan to buy selected submissions to display in our building. Our goal is to engage our youth to do art projects using any media of their choice while they are at home durng this COVID pandemic, then promote these art projects online along with the artist bio. We think its a cool way to build pride in our kids and give them an oppportunity to express themselves and their thoughts during this pandemic. We aslo plan to pay for any chosen submission we print and hang up in our building. Lastly, we want to encourage other companies to purchase selected submissions for print as well and give kids an oppportunity not only have their artwork displayed and promoted on our website and social media platforms but also make a few dollars for their submissions (if chosen for print). For public, only the child/youth's first name, city of residence and a short description about the art submission will be displayed.**
